## **Genre-bending Producer LdashD unleashes another hefty 4 Track EP: 'Choke on the Vape' - 'Look Whos Merky Now' 'Wrap it in Clingedy Clingy' - 'Slick Like a T'ing'**

Once again, LdashD's unique inventive approach knows no boundaries, never confined to the constraints of a single genre, this mighty 4-track EP paints an appealing, but rugged unflinching landscape, sounds of the city & the weather rain down on the dynamic analogue soundscape, as past and present genres, including Hip-Hop, Trap, Grime, Drill, House, even the Blues morph together seamlessly into a powerfully original sonic statement. Tough and epic yet maintaining a composed delicacy.

Never one to do things by halves, 'If a job's worth doing, it's worth doing properly,' so prepare for a few pleasant surprises as LdashD takes you on a 'proper' genre-defying trip, where music boundaries evaporate, dopamine levels skyrocket and the beat evolves unharnessed in an indigenous, uncompromising organic fashion that will leave you bobbing and weaving in a wonderworld of your own... a true bona fide '**Genre Bender.**'
