## GENRE-BENDING PRODUCER LDASHD UNLEASHES ANOTHER EPIC 4-TRACK EP

**We on a new Wave & Kill it with the Flow - released 6 March 2026**

**Manna Manna & Feels So Good - released 27 March 2026**

This powerful, unique, epic, four track EP titled, '**We On A New Wave**' is expertly fuelled by the fabulous, magnificent virtuoso musicians of The Vienna Symphonic Orchestra.

Motown, Disco strings and Soul aside, full Orchestrations are fairly rare in pop, more common in dance music perhaps, even so, they are generally mainly just simple string arrangements used for decoration etc. This remarkably original EP utilises the full gamut of the VSO's wonderful musicians.

All tracks feature the huge raw might of the VSO, massive booming brass, lush, full bodied string sections, sexy sax, clanging tubular bells, powerful thundering timpani, beautiful male/female Choirs, including the charming Vienna Boys Choir, that fuse seamlessly with electronic instruments, while residing proudly, majestically atop the pounding, driving pianos & hefty sub bass that sit snugly underneath.

An online review recently mentioned that LdashD's work was, 'life affirming', this unique amazing four track EP titled, '**We On A New Wave**' certainly confirms that generous statement.
