

OFFICIAL PRESS RELEASE

Genre-bending Producer LdashD unleashes another banging Dance Track titled 'Dirty Bassline'

LdashD prefers to follow his own nose regarding decisions made about his work, however, due to public demand, er, mainly all you fab discerning DJ's who've been singing his praises this past few years, he decided to write/dedicate this track to all of you as a kind of 'thank you' for all your generous, often insightful comments & support.

Here he nourishes your gargantuan appetite with a mightily blistering track titled '**Dirty Bassline**', the first release on a Ringpull Records sub series of releases that LdashD has fondly labelled '**DJ Fodder**' as he knows, just like him, you guys' gorge on music, so here it is, cooked to perfection, a thick slice of decent, wholesome, organic grub to get your gnashers into, plonked onto your own personal platter, so take a huge slice of your substantial daily loaf & tuck in.

A message from LdashD, 'Hey DJ'\$, I designed this sizeable track to give you all a wee break during lengthy sweaty Raves. Er, if you don't need a wee, wee, you can always take a choke on your Vape, whatever. Take care, be good.'

A WARNING though, as LdashD needed to lie down after every lengthy heavy-duty writing session and due to the raucous 'mental as anything' antics of this bangin' tracks' last section, he would like it to go on record as stating that he can't be held responsible for any injuries sustained by DJ'\$ or punters while freakin' out goin' mental to it.
