

OFFICIAL PRESS RELEASE

Genre-bending Producer LdashD releases his first two tracks: 'Girlfriend Grindin' & 'Real Bad' from his sixth 4 Track EP

Groovy, Swingin' Sixties style guitar riffs, massive bubbling Eighties synthesizers and 90's production values fusing with today's classic House beats can only mean one thing, LdashD has unleashed yet another spiffing EP.

LdashD's songs aren't tethered to any genre or decade, but rather meld late 20th century's styles into a futuristic potpourri of pop. It's this meeting of musical movements that enables L-D to navigate above and beyond the usual, safe, staid, often mediocre, mass-produced productions that the big label brands lurve to furtively foist on the public.

If music is your drug, take a massive hit on this scintillating EP from L-D, it's like nothing you've ever heard, whilst simultaneously also sounding very familiar.

There's a huge amount of respect and kudos for LdashD's work amongst the dance community so we'll leave it to some DJ comments to sum it up for us:
