

OFFICIAL PRESS RELEASE

Genre-bending Producer LdashD unleashes another hefty 4 Track EP: 'Choke on the Vape' - 'Look Whos Merky Now' 'Wrap it in Clingedy Clingy' - 'Slick Like a T'ing'

Once again, LdashD's unique inventive approach knows no boundaries, never confined to the constraints of a single genre, this mighty 4-track EP paints an appealing, but rugged unflinching landscape, sounds of the city & the weather rain down on the dynamic analogue soundscape, as past and present genres, including Hip-Hop, Trap, Grime, Drill, House, even the Blues morph together seamlessly into a powerfully original sonic statement. Tough and epic yet maintaining a composed delicacy.

Never one to do things by halves, 'If a job's worth doing, it's worth doing properly,' so prepare for a few pleasant surprises as LdashD takes you on a 'proper' genre-defying trip, where music boundaries evaporate, dopamine levels skyrocket and the beat evolves unharnessed in an indigenous, uncompromising organic fashion that will leave you bobbing and weaving in a wonderworld of your own... a true bona fide **'Genre Bender.'**

LdashD's life revolves around making music and it's all consuming, diligently beaver away day in, day out, L-D is a single-minded solo production behemoth & multi-instrumentalist, but on the rare occasions when venturing-out or socialising, usually in Brick Lane London, if there too you might happen upon a trail of L-D's latest graffiti/pasteups or even a sculpture/plaque or two, 'Passport Tiles/Masks,' which are rapidly becoming much sought-after collectors' items. If you're lucky you may also nab one of the numerous mini-L-D logo bags festooned on walls or railings during regular jaunts around Shoreditch containing free collectables, branded wristbands, stickers & cards, all featuring his unique, often futuristic style of design.

There's a huge amount of respect and kudos for LdashD's work amongst the dance community so we'll leave it to some Magazines & DJ comments to sum it up for us:
