GENRE-BENDING PRODUCER LDASHD RELEASES NEW 4-TRACK EP

In your Eyes • Look in your Eyes (Extended Mix) • Soundwave Rave • Tec Ravers

Full of surprises, never follows suit, LdashD comes up trumps again with another highly original expert crafted four-track EP titled, **In Your Eyes**, a full House that only hints at rigid genres.

Straight off the top of the deck comes the title track, the single, **In Your Eyes**, paired with, **Look In Your Eyes**, an extended mix. Uplifting vocals punctuate the powerful pounding piano chords that invite the bouncy offbeat bass-line into the mix.

The other two tracks **Soundwave Rave** & **Tec Raver** get tougher, no surprises there. **Soundwave Rave** is a bangin' synth laden, high-energy, techy-housey-ravey-kinda-sorta-thingy, lively aggressive and rugged, that builds & builds, but genial too, with positive vocals.

After the dark foreboding intro of **Tec Ravers**, a solid groove dominated by a massive squelchy synth line, liberally scattered with vox, eventually drops into a tight skippy beat, happy-go-lucky female vocals that gradually pave the way for a delicate counterpoint to the menacing intro, it metamorphoses into an exquisite deftly constructed, charmingly endearing outro.

THAT'S IT, A FULL HOUSE, A HOUSEFUL OF FUN
